Rumania	0*	0*	10*	8*	35*	59*	85*	

* *An asterisk indicates that the data are unclassified.*

[a] Units of 1,000 horsepower or more.

[b] Data refer to locomotive units, delivered and exported, that are substantially new but may include a limited amount of used components.

[c] Data refer to diesel locomotives added to the operating stock by the British Transport Commission and for exports.

[d] Data have been revised and differ from the previous *Handbook*, in which data included industrial and mining locomotives.
